BELIZE GOVERNMENT USING FASCIST TACTICS ON INDIGENOUS MAYANS – CONFEDERACY LEADER WARNS OF ROGUE ELEMENTS IN DEAN BARROW'S REGIME

I have been receiving disturbing information from my Mayan brothers & sisters in Belize for several years now about rogue elements under the State's employ operating with impunity there, the most recent uncivilised treatment of respected Mayan leader Bartolo Teul (see report herein) has moved me to inform the wider world of the 3rd world kleptocracy and haven for organised crime that this CARICOM state has sadly now become.

To their long-term and ultimate detriment, the rogue elements in the Government of Belize fail to realize that their indigenous Mayans live near the Guatemala border, where millions of Mayan kinsmen who have learned very well how to wage Guerilla warfare reside. Do rogue elements in the government of Belize think they can bully the Mayans of Toledo and not face serious consequences? Perhaps they feel that their key political backers Masonic Lodge memberships bestow an aura of invulnerability upon the Babylonian system they are spreading like a cancer, or that England will rush to their aid when they reap the bitter harvest of the seeds of civil war they are sowing so arrogantly – but I tell them solemnly that no foreign power is going to send troops to help them persecute their own indigenous people – should the unjust provocations of officialdom lead the Mayans to act upon the immortal words enshrined in the preamble of Universal Declaration of Human Rights which states:

“Whereas it is essential, if man is not to be COMPELLED to have recourse, as a LAST RESORT, to REBELLION AGAINST TYRANNY AND OPPRESSION, that human Rights should be protected by the rule of law“.

If my Mayan brethren decide to undertake their God-given right to defend themselves – I will make it my personal crusade to see that they receive the ‘training and tools‘ required to do so successfully; for I have not come to bow before political miscreants and uniformed criminals; I have come to witness the fulfillment of prophecies and ride forth with the sword in defence of the innocent.

To the rogue elements within the Government of Belize I unflinchingly say “YOU HAVE BEEN WARNED!“

Yours faithfully,
